Dear Mr. Petrie

RE: Federal Facility Agreement Milestone Extension Request for the Record of Decision for Final Soils Actions in Zone 1, East Tennessee Technology Park, Oak Ridge, Tennessee (Z-1 Final Soils ROD D4) (DOE/OR/01-2711&D4)

The Tennessee Department of Environment and Conservation (TDEC) Division of Remediation, Oak Ridge Office has reviewed the above referenced extension request (letter from J. Hardin and R. Petrie to S. Urquhart-Foster and R. Young) pursuant to Section XXX of the Federal Facility Agreement (FFA). The Department of Energy (DOE) submitted the request on January 24, 2023 and was received by TDEC the same day.

Based on review of the extension request letter, TDEC recognizes that additional time is needed to resolve responses to comments provided by the Environmental Protection Agency and TDEC and for DOE to prepare a revised, approvable D4 document. TDEC approves the extension request for submission of the Z-1 Final Soils ROD D4. The new document submittal date moves out 30 days from February 17, 2023 to March 19, 2023.

Questions or comments concerning the contents of this letter should be directed to Randy Hoffmeister at the above address or by phone at (865) 220-6583.

Sincerely

Randy C. Young
