Dear Mr. Petrie

**RE: Record of Decision for Groundwater in the K-31/K-33 Area at the East Tennessee Technology Park, Oak Ridge, TN (DOE/OR/01-2950&D2)**

The Tennessee Department of Environment and Conservation (TDEC), Division of Remediation-Oak Ridge Office (DoR-OR), has reviewed the above referenced submittal pursuant to the Federal Facility Agreement (FFA) for the Oak Ridge Reservation (ORR). The document was received on April 11, 2024. Our office has no further comments on the Record of Decision (ROD) and will initiate the process of gaining appropriate approval within TDEC and sending the ROD to the U.S. Environmental Protection Agency (EPA).

TDEC appreciates the FFA tri-party efforts to reach agreements among various levels within each organization. For a variety of reasons, groundwater remedy selection has trailed remediation of other media on the ORR. TDEC expects agreement on this ROD will assist developing other necessary groundwater decisions across the ORR. Questions or comments concerning the contents of this letter should be directed to Randy Young at (865) 310-1157.

Sincerely
