Post Office Box 2001
Oak Ridge, Tennessee 37831

Dear Mr. Petrie

Re: Modification to the Bethel Valley Administrative Watershed Remedial Action Report Comprehensive Monitoring Plan, Oak Ridge, Tennessee (DOE/OR/01-2478&D3/M1)

The Tennessee Department of Environment and Conservation (TDEC), Division of Remediation-Oak Ridge Office, received the above referenced submittal on June 3, 2024. The document has been reviewed pursuant to the Federal Facility Agreement for the Oak Ridge Reservation (ORR). TDEC is aware the U.S. Department of Energy (DOE) is currently working on changes for the Remedial Action Report Comprehensive Monitoring Plans (RAR CMPs) across the ORR that are not captured in this current modification. Due to this ongoing effort, TDEC has not provided comments relevant to that effort. TDEC reiterates the importance of developing Land Use Control Implementation Plans (LUCIPs) in accordance with the Land Use Control Assurance Plan (LUCAP) such that details necessary for implementation of the Land Use Controls (LUCs) associated with remedial actions at the Oak Ridge National Laboratory (ORNL) are clearly available to ensure protectiveness for those accessing the site. No additional comments were identified, and the State approves the document.

Review of this request meets the review cycle protocol of 30 days. Questions or comments concerning the contents of this letter should be directed to Jessica Core at the above address or by phone at (865) 895-0795.

Sincerely

Randy Young
