The Tennessee Department of Environment and Conservation, Division of Remediation-Oak Ridge Office, received the above referenced submittal on May 16, 2024. The document has been reviewed pursuant to the Federal Facility Agreement for the Oak Ridge Reservation. No comments were identified, and the State approves the document. It is noted that the Data Quality Assessment (DQA) for the waste was not included with the document. As a result, the State requests that the U.S. Department of Energy provide the DQA for information to ensure that it is part of the post-decision record.
