Dear Mr. Petrie

**Re: DOE Submittal of Proposed Changes to the Federal Facility Agreement Enforceable
Appendix E Milestones (dtd August 1, 2024)**

The Tennessee Department of Environment and Conservation (TDEC), Division of Remediation-Oak Ridge Office (DoR-OR), has reviewed the above referenced submittal pursuant to the Federal Facility Agreement (FFA) for the Oak Ridge Reservation (ORR). The submittal was received on August 1, 2024. The State approves the subject submittal with proposed changes to Appendix E of the ORR FFA.

TDEC appreciates the effort by the U.S. Department of Energy (DOE) to address TDEC interests during the development of this Appendix E proposal. The submitted Appendix E better reflects the current plans for remediation activities across the ORR which are being discussed in the FFA triparty project team meetings. TDEC looks forward to continuing this work with DOE to ensure FFA milestones reflect current remediation plans which can be reviewed by all interested stakeholders.
