Dear Mr. Petrie

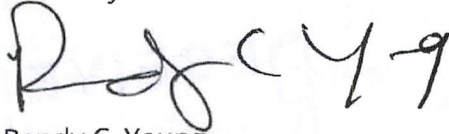

**DOE Submittal of Proposed Changes to the Federal Facility Agreement for the Oak Ridge Reservation: Appendix C, Oak Ridge Remediation Sites, and Appendix B, Oak Ridge Site Description**

The Tennessee Department of Environment and Conservation (TDEC), Division of Remediation-Oak Ridge Office (DoR-OR), has reviewed the above referenced submittal pursuant to the Federal Facility Agreement (FFA) for the Oak Ridge Reservation (ORR). The submittal was received on September 30, 2024. The State requests a meeting to discuss the following topics within the submittal before finalizing this annual update:

- Information in the Appendix B regarding the Zone 1 Explanation of Significant Differences for water treatment needs reviewed to ensure an accurate reflection of the record, and
- Many of the areas listed in the modification are being moved within appendices due to approved no further action (NFA) determinations. The FFA parties should discuss these sites to confirm these NFA determinations were not associated with interim actions or removal actions.

TDEC looks forward to working with the FFA parties to discuss the topics above and allow the approval of the proposed modification. Questions or comments concerning the contents of this letter should be directed to Randy Young at (865) 310-1157.

Sincerely

Randy C. Young  
FFA Manager
