RE: Modification to the East Tennessee Technology Park Administrative Watershed Remedial Action Report Comprehensive Monitoring Plan, Oak Ridge, Tennessee (ETTP RAR CMP) (DOE/OR/01-2477&D4/M1)

Dear Mr. Petrie

The Tennessee Department of Environment and Conservation (TDEC) Division of Remediation, Oak Ridge Office (DoR-OR) is in receipt of the U.S. Department of Energy (DOE) letter dated October 9, 2024, transmitting the above referenced document. DoR-OR received the transmittal the same day. TDEC has completed a review of the document pursuant to the Federal Facility Agreement (FFA) for the Oak Ridge Reservation and approves the document as final. TDEC is aware DOE is preparing a second modification to the ETTP RAR CMP or is developing a related document with revisions that are not captured in this current modification. TDEC reiterates the importance of developing Land Use Control Implementation Plans (LUCIPs) in accordance with the Land Use Control Assurance Plan (LUCAP) and incorporating them into a future ETTP RAR CMP modification or related document. The LUCIPs should contain necessary information regarding land use controls that ensure protectiveness associated with completed remedial actions.

This letter meets the FFA review cycle protocol of 30 days for the subject document. Questions or comments concerning the contents of this letter should be directed to Eileen Marcillo at the above address or by phone at (865) 985-2397.

Sincerely

Randy C. Young
FFA Project Manager
