COUNTY MAYOR'S OFFICE

March 10, 2025

Mr. Roger Petrie
Oak Ridge Office of Environmental Management
U.S. Department of Energy
Post Office Box 2001
Oak Ridge, Tennessee 37831

Dear Mr. Petrie

RE: Federal Facility Agreement Milestone Extension Request for the Addendum to the Zone 1 Groundwater Plumes Remedial Investigation Work Plan for the K-1085 Old Firehouse Burn Area, East Tennessee Technology Park, Oak Ridge, Tennessee (DOE/OR/01-2903&D2/A2/R1)

The Tennessee Department of Environment and Conservation (TDEC), Division of Remediation-Oak Ridge Office, received the above referenced extension request (letter from M. McIntosh and R. Petrie to S. Urquhart-Foster and R. Young) on February 28, 2025. The request has been reviewed pursuant to Section XXX of the Federal Facility Agreement for the Oak Ridge Reservation.

Based on review of the extension request letter and considering recent unforeseen federal delays, TDEC recognizes that additional time may be needed to resolve responses to comments provided by the U.S. Environmental Protection Agency and TDEC on the Remedial Investigation Work Plan (RIWP) D2/A2. The State approves extending the milestone out 90 days from February 16, 2025, to May 17, 2025, and looks forward to a document that can be approved upon submittal.

Review of this request meets the review cycle protocol of 14 days. Questions or comments concerning the contents of this letter should be directed to Jared Brabazon at the above address or by phone at (865) 201-2407.

Sincerely

Randy Young
