Mr. Roger Petrie  
Federal Facility Agreement Manager  
Oak Ridge Office of Environmental Management  
U.S. Department of Energy  
Post Office Box 2001  
Oak Ridge, Tennessee 37831

Dear Mr. Petrie

**RE: Federal Facility Agreement Milestone Extension Request for the East Tennessee Technology Park Zone 1 Final Soil Record of Decision Remedial Action Report**

The Tennessee Department of Environment and Conservation (TDEC) Division of Remediation, Oak Ridge Office has reviewed the above referenced Federal Facility Agreement (FFA) milestone extension request (letter from M. McIntosh and R. Petrie to S. Urquhart-Foster and R. Young) pursuant to Section XXX of the FFA. The U.S. Department of Energy (DOE) submitted the request on July 8, 2025, and was received by TDEC the same day.

TDEC recognizes additional time is needed by DOE to submit the Zone 1 Soil Interim Record of Decision D2 Non-Significant Change (NSC) to add land use controls for the Powerhouse area electrical vaults, K-770 former scrap yard area, and the K-1085 area at the East Tennessee Technology Park. The NSC must receive approval from the U.S. Environmental Protection Agency and TDEC before the Zone 1 Final Soil Record of Decision Remedial Action Report is finalized. Based on the review of the extension request letter, TDEC approves the FFA milestone extension request for submission of the Zone 1 Final Soil Record of Decision Remedial Action Report. The DOE submittal date for the document moves out 400 days from August 26, 2025, to September 30, 2026.

Questions or comments concerning the contents of this letter should be directed to Randy Hoffmeister at the above address or by phone at (865) 985-2513.

Sincerely

Randy C. Young  
FFA Project Manager  
Division of Remediation - Oak Ridge Office
