Dear Mr. Petrie

Re: Federal Facility Agreement Milestone Addition Request for the White Wing Scrap Yard, Oak Ridge, Tennessee

The Tennessee Department of Environment and Conservation (TDEC), Division of Remediation-Oak Ridge Office, received the above referenced Federal Facility Agreement (FFA) Appendix E milestone addition request (letter from J. Hardin and R. Petrie to S. Urquhart-Foster and R. Young) on August 7, 2025. The request has been reviewed pursuant to Section XXX of the FFA for the Oak Ridge Reservation.

TDEC understands that the U.S. Department of Energy (DOE) is moving forward under removal authority to address soil, sediment, and surface water for a portion of the White Wing Scrap Yard (WWSY) which is needed initially to successfully transfer the land for industrial reuse. Based on the review of the milestone addition request letter and recognizing that clean-up for the WWSY ET-4 area needs to be expedited to facilitate transferring this portion of land for reuse, TDEC approves the FFA Appendix E milestone addition for submission of a WWSY ET-4 Time Critical Action Memorandum.

TDEC requests that as the ET-4 Time Critical Removal Action work progresses, milestones be established for removal actions for the remainder of the WWSY footprint to replace the deleted remedial milestones. TDEC looks forward to continued partnership with DOE and the U.S. Environmental Protection Agency to efficiently implement environmental clean-up across the Oak Ridge Reservation.

Review of this request meets the review cycle protocol of 14 days. Questions or comments concerning the contents of this letter should be directed to Eileen Marcillo at the above address or by phone at (865) 985-2397.

Sincerely

Randy Young
