Dear Mr. Petrie

**RE: Memorandum to File, Non-Significant Change to the Record of Decision for Interim Actions in Zone 1, East Tennessee Technology Park, Oak Ridge, Tennessee (DOE/OR/01-1997&D2)**

The Tennessee Department of Environment and Conservation (TDEC) Division of Remediation, Oak Ridge Office (DoR-OR) is in receipt of the U.S. Department of Energy (DOE) letter dated August 14, 2025, transmitting the above referenced document. DoR-OR received the transmittal the same day. TDEC has completed a review of the document pursuant to the Federal Facility Agreement (FFA) for the Oak Ridge Reservation and offers the following comments:

1. **Page 1, Introduction, first paragraph**

This section uses the term "unlimited industrial end use". Please confirm if the word "unlimited" should be "unrestricted". The Zone 1 Soils IROD and Final Zone 1 Soils ROD do not use the term "unlimited industrial end use".

2. **Table 1**

The column titled "Affected area and specific LUC objective" includes the term "unlimited industrial and unlimited recreational use" in the Property record restrictions and Excavation/Penetration Permit Program rows. Please confirm if "unlimited" is the correct term.

3. **Table 1**

Please confirm if the last entry in the "Affected area and specific LUC objective" column for 1.A, 2, 3, and 4 should be bulleted.

This letter meets the FFA review cycle protocol of 60 days for the subject document. TDEC looks forward to working with DOE to ensure timely resolution of these comments. Questions or comments concerning the contents of this letter should be directed to Randy Hoffmeister at the above address or by phone at (865) 985-2513.

Sincerely
