Dear Mr. Petrie

**TDEC Extension Request: Time-Critical Action Memorandum for the Phase 1 Removal
Action at the White Wing Scrap Yard, Oak Ridge National Priorities List Site, Oak Ridge,
Tennessee (DOE/OR/01-3015&D1)**

The Tennessee Department of Environment and Conservation (TDEC) requests an extension pursuant to *Section XXX, Extensions* of the Federal Facility Agreement (FFA). TDEC received the D1 version of the above referenced submittal for review on December 22, 2025. Pursuant to the FFA, this document is subject to a 30-day period for review and comment. The due date for TDEC review is January 24, 2026. TDEC requests an extension of 30 days, extending the due date to February 23, 2026.

Good cause for extension exists because a significant amount of time required for a thorough review was impacted by the 2025 state and federal holidays. Additional review is appropriate to ensure the document meets the requirements of Comprehensive Environmental Response, Compensation, and Liability Act and the included Applicable or Relevant and Appropriate Requirements cover all necessary state and federal regulations.

Questions or concerns regarding this letter may be directed to Eileen Marcillo at the above address, by phone at 865-985-2397, or by e-mail at eileen.marcillo@tn.gov.

Sincerely

Eileen Marcillo
